R6 RA Roles:

- Regional Tribal Operations Committee - *Co-Chair*
- Interstate Oil and Gas Compact Commission (IOGCC)-EPA Task Force - *Task Force Member*
 - Note: there is an EPA Co-Chair and up to 5 additional EPA Task Force Members, designated by the Administrator
- US-Mexico Border 2020 Regional Work Group for Texas, Coahuila, Nuevo Leon, Tamaulipas –*Co-Chair*
 - Co-Chair is México SEMARNAT at the State Office in a Tamaulipas
- US-Mexico Border 2020 Regional Work Group for New Mexico, Texas, Chihuahua –*Co-Chair* (*this may have been delegated to Charles in the past*)
 - Co-Chair is México SEMARNAT at the State of Chihuahua
- EPA Science and Technology Policy Council – *Region 6 is Member*

Councils/groups with Region 6 involvement, but the Administrator or others serve as the designated officials

- RESTORE Act Council (officially named the “Gulf Coast Ecosystem Restoration Council,” created by the RESTORE Act) – EPA Administrator is Member, and became council chair in 2018
- Deepwater Horizon Natural Resource Damage Assessment (NRDA) Trustee Council - EPA is Trustee, and the role of Designated Natural Resource Trustee Official was delegated to the OW DAA. EPA R6 staff serve on the Texas and Louisiana Implementation Groups.
- Coastal Wetlands Planning, Protection and Restoration Act (CWPPRA) Task Force – EPA is a Member; technically Charles serves on the Task Force

RA does *not* have a designated role (but you could count)

- Illinois River Task Force Steering Committee – EPA serves in an advisory role
- State Review of Oil and Natural Gas Regulations (STRONGER) – EPA representatives from OAR and OLEM serve as non-voting liaisons to the STRONGER Board of Directors
